The station centres 6037. The town is said to be healthy and is growing in importance as a Commercial Centre Mofussil taxes is said to increase annually on account of the facilities the Irwin Canal affords.

2) From the figures furnished by the D.C it is seen that for the last four years, the income above Rs 10000/ each hence this minor ply. Satisfies the conditions laid down in sec 5 of the Town Police Act for its conversion into a Township. It has also got an elected President

3) Hence the resolution of the Mysl Cl dated 12.3.45 to convert the ply into a Township may be sanctioned with effect from 1/1/1947 — the date from which it is to be constituted into a Township. Formerly

Office of the Deputy Commissioner,
Chitaldrug District,
Chitaldrug dated 24th December 1945

To

B Mallaradhya, Esq , M A.,
Secretary to Government of Mysore,
Revenue Department, B A N G A L O R E

Sir,

Subject - Sanction for the conversion of the Challakere Minor Municipality into a Town Municipality

In continuation of my letter No A6 C 214-42/45-46 dated 1-10-1945 requesting sanction of Government to the appointment of a Chief Officer to the Challakere Municipality and intimating that proposals would be sent for the conversion of the Challakere Minor Municipality into a Town Municipality, I have the honour to state as follows -

The Minor Municipal Council Challakere, at its meeting held on 12-3-1945, has resolved that this Municipality be converted into a Town Municipality The President of the Municipality, has, in his No H C 202/44-45 dated 26-10-1945, reported that the population of the Town is at present 6,031 inhabitants as per latest Ration Census, and the climate of the place being very healthy many people in the District and out side the District are coming and settling there permanently and the existance of the Municipal High School and a big shandy for commercial purposes have been the chief attractions and requested that sanction of Government might be obtained for the conversion of the Minor Municipality into a Town Municipality

The local area of this Town was declared a Municipality and its boundary defined as per G O No 1194/M1 86-17-12 dated 23-8-1917 The normal income of this Municipality during the past four years is as noted in the margin It is seen that it is on the increase from year to year

	Year	Normal Income
1	1941-42	Rs 12,784
2	1942-43	18,994
3	1943-44	26,355
4	1944-45	28,575

Considering the importance of this town which is rapidly growing as a Commercial centre and its increasing population, it is desirable to convert this important town in the District as a Town Municipality This town is also enjoying the privilege of having an elected non official President as per G O No L 8704-7/M1

Apt o

185-43-4 dated 18-2-1944 I request that sanction of Govern. may kindly be obtained for its conversion into a Town Municipality as per resolution of the Municipal Council at an early date Sanction of Government to the appointment of a Chief Officer to this Municipality may also be kindly obtained as requested in my letter No MC 214-42/45-46 dated 1-10-1945

The entire correspondence ending with report No M C 202/44-45 dated 26-10-1945 received from the President of the Municipality is enclosed herewith for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,
